## PROFILE

**"PAKISTAN'S LEADING CONSTRUCTION & ENGINEERING SOLUTIONS PROVIDER"**

# ABOUT US

Falcon Engineering Services (F.E.S) was founded in 1992 with a commitment to excellence and quality-focused engineering solutions. Over the past three decades, F.E.S has become one of Pakistan's leading providers of civil, electrical, mechanical, and steel fabrication services, delivering projects across commercial, residential, and industrial sectors.

We manage every aspect of a project from planning to execution covering construction, industrial automation, electrical and mechanical works, structural strengthening, and refurbishment. Our team combines technical expertise with practical experience to ensure every project is completed efficiently, safely, and to the highest standards.

At F.E.S, collaboration is at the heart of our approach. By working closely with clients, partners, and our skilled workforce, we deliver innovative solutions that exceed expectations. With a focus on integrity, teamwork, and excellence, Falcon Engineering Services continues to set benchmarks in the construction and engineering industry both locally and internationally.

## MESSAGES FROM LEADERSHIP

**"We are committed to delivering quality, reliability, and innovation in every project, ensuring excellence and long-term client satisfaction."**

Chief Operation Officer  
M.B.A (H.R) M.S (Electrical)  
10 Year Industrial Experience.

# Our PRINCIPLES

At Falcon Engineering Services, we are guided by integrity, professionalism, and a commitment to excellence. Every project we undertake is driven by safety, quality, and client satisfaction, ensuring that we deliver solutions that are both reliable and innovative.

## VISION

Our vision is to become a leading construction and engineering company in Pakistan and internationally, recognized for excellence, innovation, and trust. We strive to create lasting value for our clients, employees, and the communities we serve.

## MISSION

Our mission is to provide world-class construction and engineering services by combining expertise, innovation, and integrity. We aim to exceed client expectations while maintaining the highest standards of safety, quality, and professionalism in every project.

## OUR CORE VALUES

We believe in Integrity, always staying true to our word; Excellence, ensuring every project reflects precision and quality; Innovation, thinking creatively to provide the best solutions; and Teamwork, collaborating effectively to achieve shared goals. These values define who we are and guide everything we do.

# OUR SERVICES & EXPERTISE

Falcon Engineering Services delivers comprehensive, high-quality solutions in construction, electrical, mechanical, and industrial services. With decades of experience, we ensure every project meets the highest standards of safety, quality, and efficiency.

## OUR SERVICES

- **CONSTRUCTION SERVICES:**

High-rise buildings, residential, commercial, and industrial projects

- **ELECTRICAL & AUTOMATION:**

Power supply, distribution, low-current systems, HVAC panels, fire alarms, and building automation

- **MECHANICAL & FABRICATION:**

HVAC systems, plumbing, conveyors, signage, VRF systems, and structural fabrication

- **PROJECT MANAGEMENT & QHSE SERVICES:**

Planning, execution, monitoring, safety compliance, and quality assurance

## OUR EXPERTISE

Falcon Engineering Services has successfully executed projects in diverse sectors:

- **Residential & Commercial Complexes**
- **Educational & Healthcare Institutions**
- **Industrial Units & Warehouses**
- **Roads, Bridges, & Infrastructure Projects**
- **Renewable Energy Systems & Solar Installations**

We combine technical expertise, skilled professionals, and innovative solutions to deliver projects that exceed client expectations.

## Electrical & Automation **SERVICES**

Falcon Engineering Services provides reliable electrical and automation solutions for residential, commercial, and industrial projects. With strong technical expertise and modern technology, we deliver safe, efficient systems that meet international standards.

Our services include the supply, installation, testing, and commissioning of electrical and automation systems, ensuring improved performance, safety, and operational efficiency.

### **OUR ELECTRICAL & AUTOMATION SERVICES INCLUDE**

- Power Supply Systems (Utility, Backup & Renewable Energy)
- Distribution Transformers & Diesel Generator Installation
- Solar & UPS Systems
- LV/MV Switchgear & Panel Installation
- MCC, PCC, and Distribution Boards
- Cable Laying, Termination & Busway Systems
- Earthing & Lightning Protection Systems
- Illumination & Lighting Systems
- Building Management Systems (BMS)
- Fire Alarm & Fire Hydrant System Installation
- CCTV Surveillance & Security Systems
- Data & Voice Communication Systems
- HVAC Control Panels & VFD Panels
- ATS & Star-Delta Starter Panels
- Low Voltage (LV) & Extra Low Voltage (ELV) Systems
- System Testing & Commissioning

## Mechanical & Fabrication **SERVICES**

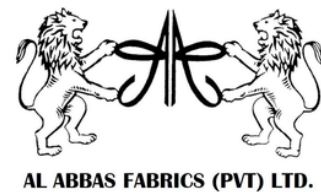

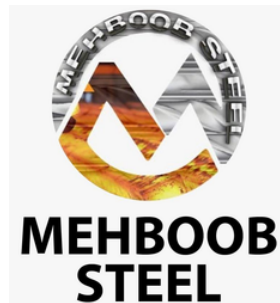

Falcon Engineering Services provides reliable mechanical and fabrication solutions designed to support industrial, commercial, and infrastructure projects. With skilled professionals and advanced tools, we deliver precision-engineered systems that ensure durability, efficiency, and long-term performance.

Our mechanical and fabrication services include the design, manufacturing, installation, and maintenance of various mechanical systems and steel structures. We focus on delivering customized solutions that meet project specifications while maintaining strict quality and safety standards.

### **OUR MECHANICAL & FABRICATION SERVICES INCLUDE**

- HVAC System Installation & Maintenance
- Plumbing & Piping Systems
- Steel Structure Fabrication & Installation
- Industrial & Structural Fabrication Works
- Ducting & Ventilation Systems
- Conveyor System Fabrication & Installation
- Equipment Installation & Alignment
- Welding & Metal Fabrication Works
- Tank & Pipeline Fabrication
- Maintenance & Repair of Mechanical Systems
- Custom Fabrication Solutions
- Industrial Mechanical Works
